

NOTICES AND EMERGENCY INFORMATION

The Town of Holiday Lakes has contracted with the rapid communication service, Blackboard Connect to deliver voice, text and e-mail messages. Information you provide is contractually confidential. Aside from providing fast and effective notification for emergency situations, we will be enabled to disperse routine community communications for informational purposes. Please provide us with the contact information necessary for implementation:

1. Name _____
2. Primary phone number for notification _____
Alternate phone number for notification _____
3. Physical address _____
4. Language preference: English _____ Spanish _____
5. Message preference: Voice _____ Text _____ E-Mail _____
6. E-Mail address _____

The completion and submission of this form in a timely manner will be your assurance of notification should the Town of Holiday Lakes experience an emergency evacuation, updates on pending hurricanes, advance notification of water line flushing, general information, etc.
